The CPMR is sub-divided into six Geographical Commissions, corresponding to the European maritime basins, such as the Baltic Sea, the North Sea, the Atlantic Arc, the Mediterranean, the Balkan and Black Sea and the islands.

The CPMR Intermediterranean Commission gathers 45 regions from 10 countries of both Mediterranean shores and works in particular on: territorial cooperation and emerging strategies in the Mediterranean, migration and neighbourhood policy, integrated maritime policy and transports, economic and social cohesion, youth policies, sustainable and culture tourism, water, energy & climate.
