References for students:

1. **At the very beginning** of your mobility please have this document signed by the International Office at the host university. The section "Registration" confirms the date of your matriculation at the host university and therefore the official beginning of your mobility period.

In case of an online study or a mixture of online and presence study, the beginning of the online study phase must be clearly defined. The section „Arrival“ confirms the first official day at the host university (first day of the STUDY abroad period) after your physical ARRIVAL abroad. Private activities or holidays **before** the beginning of the semester must **not** be certified!

If there are quarantine rules, the spent period can be additionally counted to the time of arrival.

Please submit an additional proof of your travel abroad.

2. Upload the signed and stamped document immediately after you received it and without further notice to the Mobility Online database.
3. Keep the original and be careful not to lose it!
4. **At the very end** of your mobility, please have this document again signed by the International Office at the host university. The part "Exmatriculation" confirms the end of your mobility. In case of an online study or a mixture of online and presence study, the end of the online study phase must be clearly defined. The section „Departure“ confirms your last day at the host university (last day of the STUDY abroad period) and your departure to Germany. Private activities or holidays **after** your last examination and before your return to Germany must **not** be certified!
5. Upload the signed/stamped document **within 3 weeks** after the last official and certified day to the Mobility Online database.

Be informed that we **do not** accept any documents without **exact dates** (day/month/year) or without a **stamp**.

Please note that we cannot accept any **predated or backdated** certificates (max. 5 days difference between issue date and certified first/last day)!
