Information for the student

References for students:

1. **At the very beginning** of your mobility please have this document signed by the International Office at the host university. The section “first academic day” confirms the first day of studies at the host university, whether virtual or in person, and therefore the official beginning of your mobility period.

Private activities or holidays **before** the beginning of the semester must **not** be certified!

In case of online study or a mixture of online and presence study, the beginning of the online study phase must be clearly defined.

The section „Arrival in person“ confirms the first day in the host country (first day of physical presence).

If there are quarantine rules, the spent period can be additionally counted to the time of arrival. Please add a corresponding comment.

Please submit an additional proof of your travel abroad ("Einreisebeleg").

2. Upload the signed and stamped document immediately after you received it and without further notice to the Mobility Online database.
3. Keep the original and be careful not to lose it! You will need it again at the end of your mobility.

4. **At the very end** of your mobility, please have this document again signed by the International Office at the host university. The part “last academic day” confirms the end of your mobility.

Private activities or holidays **after** your last examination and before your return to Germany must **not** be certified!

In case of an online study or a mixture of online and presence study, the end of the online study phase must be clearly defined.

The section „Departure in person” confirms your last day in the host country (last day of physical presence) and your departure to Germany.

Please submit an additional proof of your travel back to Germany ("Abreisebeleg").

Upload the signed/stamped document **within 3 weeks** after the last official and certified day to the Mobility Online database.

Be informed that we **do not** accept any documents without **exact dates** (day/month/year) or without a **stamp**.

Please note that we cannot accept any **predated or backdated** certificates (max. 5 days difference between issue date and certified first/last day)!
